## Independent Auditor's Report

To the members of

### **Lifelong Animal Protection Charity Limited**

*(incorporated in Hong Kong with limited liability)*

We have audited the financial statements of Lifelong Animal Protection Charity Limited ("the Company") set out on pages 4 to 13, which comprise the statement of financial position as at 31 December 2015, the income and expenditure account, statement of changes in fund and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### **Directors' Responsibility for the Financial Statements**

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Notes to the Financial Statements**

For the year ended 31 December 2015

---

### **1. GENERAL INFORMATION**

Lifelong Animal Protection Charity Limited is incorporated in Hong Kong with limited by guarantee and not having a share capital on 26 November 2003. The address of its registered office is Room 1004, Tung Che Commercial Centre, 246 Des Voeux Road West, Sai Ying Pun, Hong Kong.

### **2. LIMITATION OF LIABILITY**

Under the provisions of the association's memorandum, every member shall, in the event of the dissolution of the association, be responsible for the debts and obligations of the association to the extent not exceeding HK\$100 per member.

### **3. SIGNIFICANT ACCOUNTING POLICIES**

#### **Basis of preparation of the accounts**

These financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"), which collective term includes all applicable Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and Interpretations issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA"), accounting principles generally accepted in Hong Kong and the Hong Kong Companies Ordinance.

#### **Impact of the Hong Kong Companies Ordinance (Cap. 622)**

The financial-reporting requirements of Part 9 "Accounts and Audit" of the Ordinance comes into operation for the preparation of these financial statements and as a result, there are changes to the presentation and disclosures of certain information as compared with the 2014 financial statements. Where appropriate, the comparative information has been amended to achieve a consistent presentation.

The company qualifies for the reporting exemption as a small guarantee company under section 359(1)(a) of the Hong Kong Companies ordinance (Cap.622).

#### **Going concern**

The financial statements have been prepared in conformity with the principles applicable to a going concern basis. The applicability of these principles is dependent upon continued availability of adequate finance or attaining profitable operations in the future in view of the excess of current liabilities over current assets. The members have confirmed their intention to make available adequate funds to the company as and when required to maintain the company as a going concern.

#### **Basis of measurement**

The measurement basis used in the preparation of these financial statements is historical cost.

## Notes to the Financial Statements

For the year ended 31 December 2015

---

### Property, plant and equipment

Property, plant and equipment, other than leasehold land and buildings, construction in progress, properties under development, are stated at cost less accumulated depreciation and impairment losses. The cost of an item of property, plant and equipment comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Repairs and maintenance are charged to profit or loss during the year in which they are incurred.

Depreciation is provided to write off the cost less accumulated impairment losses of property, plant and equipment, other than construction in progress, properties under development, over their estimated useful lives as set out below from the date on which they are available for use and after taking into account their estimated residual values, using the straight-line method, at the annual rate of 20%. Where parts of an item of property, plant and equipment have different useful lives, the cost or valuation of the item is allocated on a reasonable basis and depreciated separately:

|                         |     |
|-------------------------|-----|
| Furniture and equipment | 20% |
| Decoration              | 20% |

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the item) is included in profit or loss in the year in which the item is derecognised.

### Cash and Cash Equivalents

For the purpose of the statement of cash flows, cash equivalents represent short-term highly liquid investments which are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value, net of bank overdrafts.

### Recognition of Income

Revenue is recognised when it is probable that the economic benefits will flow to the Group and when the revenue and costs, if applicable, can be measured reliably and on the following bases:

Income from donations is recognised when cash is received and includes all sums received up to the date of the statement of financial position.

Sale of goods is recognized when the goods are delivered and the risks and rewards of ownership have passed to the customer.

Interest income is recognised on a time proportion basis taking into account the principal outstanding and the interest applicable.

### Inventories

Inventories are stated at the lower of cost and net realisable value. Cost, which comprises all costs of purchase and, where applicable, and other costs that have been incurred in bringing the inventories to their present location and condition, is calculated using the first in, first out method. Net realisable value represents the estimated selling price in the ordinary course of business less the estimated costs necessary to make the sale.

When inventories are sold, the carrying amount of those inventories is recognised as an expense in the period in which the related revenue is recognised. The amount of any write-down of inventories to net realisable value and all losses of inventories are recognised as an expense in the period of the write-down or loss occurs. The amount of any reversal of any write-down of inventories is recognised as a reduction in the amount of inventories recognised as an expense in the period in which the reversal occurs.

### **Impairment of other assets, other than goodwill**

At the end of each reporting period, the company reviews internal and external sources of information to assess whether there is any indication that its property, plant and equipment may be impaired or impairment loss previously recognised no longer exists or may be reduced. If any such indication exists, the recoverable amount of the asset is estimated, based on the higher of its fair value less costs of disposal and value in use. Where it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the smallest group of assets that generates cash flows independently.

If the recoverable amount of an asset or a cash-generating unit is estimated to be less than its carrying amount, the carrying amount of the asset or cash-generating unit is reduced to its recoverable amount. Impairment losses are recognised as an expense immediately, except where the relevant asset is carried at revalued amount in which case the impairment loss is treated as a revaluation decrease in accordance to the accounting policy relevant to that asset.

A reversal of impairment loss is limited to the carrying amount of the asset or cash-generating unit that would have been determined had no impairment loss been recognised in prior years. Reversal of impairment loss is recognised as income in profit or loss immediately, except where the relevant asset is carried at revalued amount, in which case the reversal of impairment loss is treated as a revaluation increase in accordance to the accounting policy relevant to the asset.

### **Leases**

Rentals payable under operating leases are charged to profit or loss on a straight-line basis over the term of the relevant lease.

## **4. CRITICAL ACCOUNTING JUDGEMENTS AND ESTIMATION UNCERTAINTY**

Estimates and assumptions concerning the future and judgements are made by the management in the preparation of the financial statements. They affect the application of the company's accounting policies, reported amounts of assets, liabilities, income and expenses, and disclosures made. They are assessed on an on-going basis and are based on experience and relevant factors, including expectations of future events that are believed to be reasonable under the circumstances. Where appropriate, revisions to accounting estimates are recognised in the period of revision and future periods, in case the revision also affects future periods.

### **Key sources of estimation uncertainty**

#### **Allowance for inventories**

The company's management reviews the condition of inventories, as stated in note 12 to the financial statements, at the end of each reporting period, and makes allowance for inventories that are identified as obsolete, slow-moving or no longer recoverable. The company carries out the inventory review on a product-by-product basis and makes allowances by reference to the latest market prices and current market conditions.

#### **Depreciation of property, plant and equipment**

Depreciation of property, plant and equipment is based on the judgement made by the management, involving the estimation on useful life and residual value.
